required by law to pass, are responsible for prompt correction of errors in restatement (see Law 12C1 when an uncorrected review causes damage).

Law 20F1 - During the auction and before the final pass, any player, at his own turn to call, may **request**** a full explanation of the opponents' auction (questions may be asked about calls actually made or about relevant calls available but not made); replies should **normally** be given by the partner of a player who made a call in question (see Law 75C).

Law 75C - When explaining the significance of partner's call or play in reply to an opponent's inquiry (see Law 20), a player shall disclose all special information conveyed to him through partnership agreement or partnership experience, **but he need not disclose inferences drawn from his general knowledge and experience.**

Law 20 second footnote - Law 16 may apply, and **sponsoring organisations** may establish regulations for written explanation.

Law 20F2 - After the final pass and throughout the play period, either defender at his own turn to play may **request**** an explanation of opposing auction. At his or dummy's turn to play, the declarer may request an explanation of a defender's call or card play conventions.

Law 16A - After a player makes available to his partner extraneous information that may suggest a call or play, as by means of ... a question, ... or the like, the partner may not choose from among logical alternative actions one that could demonstrably have been suggested over another by the extraneous information.

Law 75D1 - If a player subsequently realises that his own

to pass, are responsible for prompt correction of errors in **restatement*** (see Law 12C1 when an uncorrected review causes damage).

F. Explanation of Calls

1. During the auction and before the final pass, any player may request, **but only** at his own turn to call, an explanation of the opponents' **prior** auction. **He is entitled to know about calls actually made, about relevant alternative calls available that were not made, and about relevant inferences from the choice of action where these are matters of partnership understanding. Except on the instruction of the Director** replies should be given by the partner of the player who made **the** call in question. **The partner of a player who asks a question may not ask a supplementary question until his turn to call or play.** Law 16 may apply and **the** Regulating Authority may establish regulations for written explanations.

2. After the final pass and throughout the play period, either defender at his own turn to play may request an explanation of the opposing auction. At his **turn to play from his hand or from dummy** declarer may request an explanation of a defender's call or card play understandings. Explanations should be given on a like basis to 1 and by the partner of the player whose action is explained.

3. Under 1 and 2 above a player may ask concerning a single call but Law 16B1 may apply.

4. If a player subsequently realizes that his own

explanation was erroneous or incomplete, he must immediately call the Director (who will apply Law 21 or Law 40C).

Law 75D2 - A player whose partner has given a mistaken explanation may not correct the error before the final pass, nor may he indicate in any manner that a mistake has been made;

Law 75D2 - After calling the Director at the earliest legal opportunity (after the final pass, if he is to be declarer or dummy, after play ends, if he is to be a defender), the player must inform the opponents that, in his opinion, his partner's explanation was erroneous.

Law 73B1 - Partners shall not communicate through ... questions asked or not asked of the opponents

Law 40E2 - During the auction and play, any player except dummy may refer to his opponents' convention card at his own turn to call or play, but not to his own.

explanation was erroneous or incomplete he must call the Director immediately. The Director applies Law 21B or Law 40B4.

5. (a) A player whose partner has given a mistaken explanation may not correct the error during the auction, nor may he indicate in any manner that a mistake has been made. 'Mistaken explanation' here includes failure to alert or announce as regulations require or an alert (or an announcement) that regulations do not require.

(b) The player must call the Director and inform his opponents that, in his opinion, his partner's explanation was erroneous (see Law 75) but only at his first legal opportunity, which is

(i) for a defender, at the end of the play.

(ii) for declarer or dummy, after the final pass of the auction.

6. If the Director judges that a player has based an action on misinformation given to him by an opponent see, as appropriate, Law 21 or Law 47E.

G. Incorrect Procedure

1. It is improper to ask a question solely for partner's benefit.

2. Except as the Regulating Authority allows a player may not consult his own system card and notes during the auction and play periods, but see Law 40B2(b).

* When the calls are not spoken responders must ensure that it is clear to an enquiring opponent what calls have been made.

** Declarer's first turn to play is from dummy unless accepting an opening lead out of turn.
