*"Every Hand an Adventure" is what bridge is all about. It is
the ultimate in intellectual competition.*

*As you learn more, ever-increasing vistas
unfold for your experimentation and enjoyment.*

Once you try it, you'll never give it up.

What Is Bridge?

Bridge is a trick taking card game that is played all around the world between four people. Bridge is played by over 200 million people almost anywhere you can think of. It's played in clubs, living rooms, parks, pubs and even online. It's a game that you never stop learning and can't stop playing.

Who plays bridge?

Everyone plays bridge! Bridge is played by the young and old. At universities, organised clubs and in social groups. Some of our most famous players include Warren Buffett, Bill Gates, Omar Sharif, James Bond, Radiohead and even Snoopy!

Why Bridge?

Bridge offers something for everyone and allows people to make it what they want. If you are looking to build lifelong friendships its your game. If you are looking for something to challenge you, it will allow you to push yourself as much or little as you like.

It's also good for you! Bridge has been proven to help prevent Alzheimer's, builds the immune system, improves test scores in primary school students and provides for social inclusion and team work.

Bridge in Victoria

The Victorian Bridge Association is the governing body for bridge in Victoria. There are over 50 affiliated clubs and many more social ones around the state, so it's not hard to find a game!

Victoria also fields highly competitive teams in national events and is home to many of the countries national representatives.

How do you get involved?

The first step is getting in touch with your local bridge club. Their information is on the back page of this brochure and they are eagerly awaiting your call. You don't need to have anyone to play with but you may like to encourage family or friends to take on the game with you.

You might also like to look further into what the game is and what it offers. To do this you should pick up the phone and give the Victorian Bridge Association a call on 9530 9006.
