YERONGA PARK

Bridge club back in action

SMASHED in last year's super storm, the Brisbane Bridge Club at Annerley has turned over a new and upgraded leaf.

With broken windows and a damaged roof, the Yeronga Park club was in dire need of repairs, with the club's 275 or so members stepping up to repair the damage.

Club executive member Denis Rylands said they were now back in operation and better than ever.

"The place was a little bit run down," he said.

"We had working bees, and members of the club turned up to help with moving furniture ... and repainting."

The club is now on the look out for new members who want to meet new people and have fun.

"Bridge is a great social game," he said.

Phone 3826 2620. Bridge sessions are held on Monday, Tuesday, Wednesday, Friday and Saturday.
