YES?

You are ready to join 36,500 members of the Australian Bridge Federation - people of all ages and walks of life who play in our 350 bridge clubs around Australia.

Joining one of the Australian Bridge Federation's affiliated clubs enables you to start your bridge-playing with a National organization dedicated to providing players with a fabulous experience each time they play bridge.

As a member, you will enjoy the camaraderie of thousands of fellow bridge players around Australia. In addition, you will be able to accrue masterpoints as you climb the ladder towards being a Grand Master!

Bridge is an easy game to learn but a hard game to master. It is proven to:

- boost your immune system
- ward off dementia as you age
- ward off melancholia for people who live alone.

For people with a competitive 'bent', there are thousands of competitions each year in Australia and around the world.

Although the Australian Bridge Federation is in the business of fun, we also support important causes such as the Make-A-Wish Foundation and Neurological Research.

Millions of people around the world can't be wrong. Bridge is a wonderful sport! Join our Club today!
