

## *Joan Butts Workshop*

Our Joan Butts workshop was held on Saturday 20 September at Peninsula Bridge Club. 52 keen players attended and were delighted to learn new ways to improve their defensive plan.

Many stayed on to practise their new partnership signals in the Saturday afternoon duplicate session. We had 3 sections in play. A great bridge day was also celebrated with a scrumptious afternoon tea - Jo Jarvis's (low fat?) strawberries & cream sponge cake was particularly appreciated by the afternoon players.
