Bairnsdale and Paynesville bridge clubs recently held a two-week red point event in their respective clubs.

Bairnsdale's 38th anniversary pairs event was won by Lorraine Robinson and Libby Thomson, just snatched from Joan Courtemanche and Jean Macleod by 0.3 per cent.

Paynesville's club championships pairs were won by Rosie Schwabegger and Robyn Owen with a close second by Jean Macleod and John Brazier.

Ruth Spears and Diane Wyndham won the restricted section.

During the month of July there are no special events as many of the players head north for the cold winter months.

The clubs look forward to an eventful August.
